Advance Standing for programs in the ANU College of Engineering and Computer Science

VIT Master Degree (first year completed):	Australian National University Degree:	ANU Degree - Normal Duration in Years	Advance Standing/ Credit Given (in years)	Pre-Requisites*
M. Tech (Computer Science and Engineering)	Master of Computing (Honours) <ul style="list-style-type: none">- Artificial Intelligence- Information & Human Centered Computing- Software Engineering	2 Years	1 Year	Achieve an average of 80%

** The amount of standing awarded will be based on final 2nd year (1st year in case of Masters) results of the VIT Bachelor or Master degree and is conditional upon students passing all course units (in case of a re-test, students must provide a pass result for units in which a re-test was attempted). Advance standing will be assessed on a case-by-case basis once these results are received.*
