

NUST-ANU Articulation arrangement

First 2 years of the degree at NUST	Degree at ANU	Duration at ANU	Requirements
Computer Science & Technology	Bachelor of Information Technology	1.5 Years	75% average at NUST
Network Engineering			
Software Engineering			

First 2.5 years of the degree at NUST	Degree at ANU	Duration at ANU	Requirements
Computer Science & Technology	Bachelor of Advanced Computing (Honours)*	2 Years	80% average at NUST
Network Engineering			
Software Engineering			

First 2.5 years of the degree at NUST	Degree at ANU	Duration at ANU	Requirements
Computer Science & Technology	Bachelor of Software Engineering (Honours)*	2 Years	80% average at NUST
Network Engineering			
Software Engineering			

* Honours programs that include significant research projects and are pathways to PhD

Completion of the degree at NUST	Degree at ANU	Requirements	
Bachelor of Computer Science & Technology	Master of Computing	75% average in NUST bachelor degree	
Bachelor of Network Engineering			
Bachelor of Software Engineering			

Completion of 1st year of Master degree at NUS	Degree at ANU	Duration at ANU	Requirements
Computer Science & Technology	Master of Computing	1 Year	75% average at NUST

Study Abroad: Students can also join ANU for 6 – 12 months as ‘Study Abroad’ students where they can study 4 computer science courses per semester in their chosen area of interest.
